- Round 1 – Football Passing. The first person in line, one further from the hoop, starts with the football on the team starting x/spot. On coach's whistle, the player with the ball runs to the team throwing spot and does 1 throw towards the stone tower.
 - If they knock down a tower: They grab all the disks (stones) they knocked out of the towers (it might be more than one). They run the ball back to their team spot. Do a pass to the next players in line. Put the stone(s) in the hula hoop. Get in the back of the team line.
 - If they miss it: They grab the ball, run the ball back to their team spot. Do a pass to the next player in line from the team x/spot. Get in the back of the team line.

Avenger Infinite Wars – Part 2 (Football Rushing)

Purpose: Football Rushing

Equipment: Small Buckets, Large Colored Spots, Footballs, Hula Hoops, Team Lines

Set Up: (see diagram below)

Execution:

- Break players into 4-even teams. Assign each team to a superhero line.
- Put all 24 Infinite stones (colored spots) down in the middle of the field (randomly) and put a bucket over each stone. (If you don't have enough Buckets, you can also do Cones over Small Colored Spots.)
- Review Storyline – The e Spots are the Infinite Stones. The first Avenger to collect all 6-infinite stones and return them to their hula hoop is the winner
- Round 2 – Football Rushing. Person at the end of the line (furthest from the goal), starts on the starting x/spot with the football. On coach's whistle, he/she runs while protecting the football to one of the buckets and flips it over.
 - If they don't already have that color infinite stone: They grab the stone, leave the bucket flipped over, and run back to their team line where they do a proper hand-off to the next player in line on the team starting X/Spot. They then drop the stone in the Team Hula Hoop.
 - If they already have that color infinite stone: They stand-up the bucket so it covers the stone and run back to their team line where they do a proper hand-off to the next player in line on the team starting x/spot. They only get to look under 1-Bucket each attempt.
- Continue until 1-team has collected all 6-infinite stones and award points. The winning teams gets 6-points. All other teams get 1-point for each stone they had in their Hula Hoop when time expired.
- Move onto Round 3 – Football Throwing

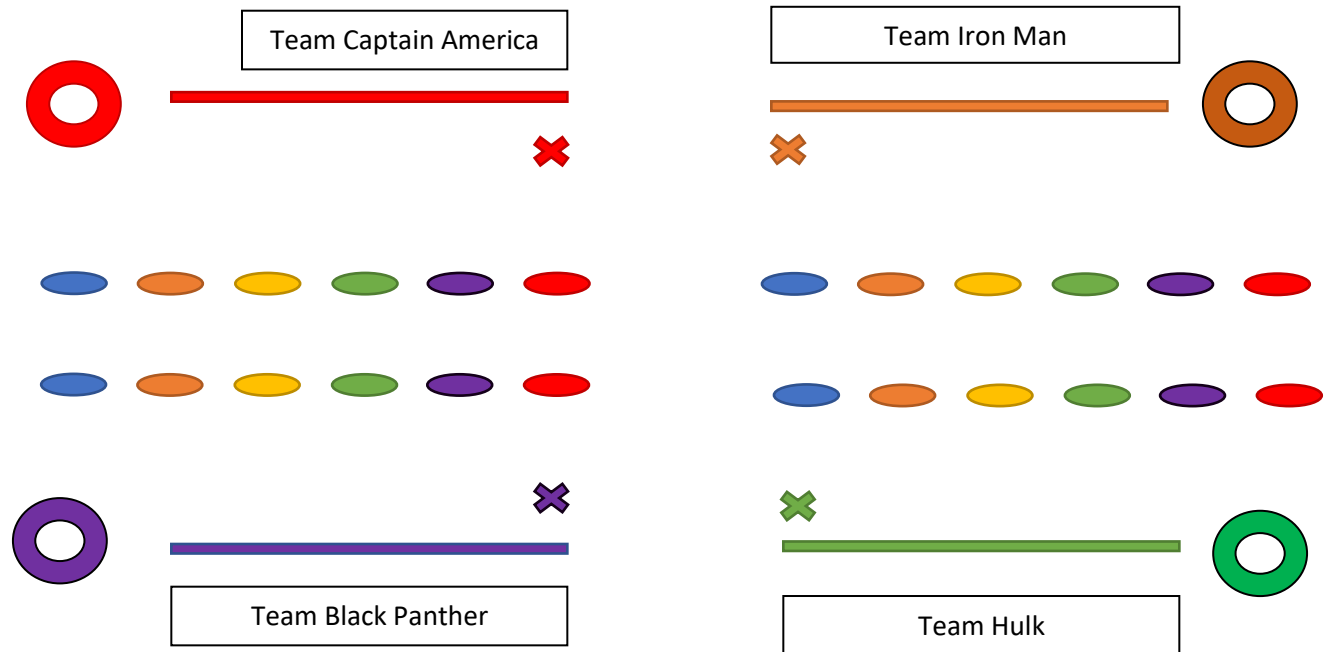

Comments: This is similar to the game of memory. Players have to work together and communicate. If you look under a bucket and found the an Infinite stone you couldn't collect, make sure you communicate it to your teammates so they don't make the same mistake.

Avenger Infinite Wars – Part 3 (Football Receiving)

Purpose: Football Throwing/Receiving

QB says hike and the WR runs out and stands on a stone. The QB throws the WR. In order to get the stone, the WR must catch the ball without taking his/her foot off the stone.
 - If they catch it: They grab the spot, give the ball back to the QB, put the Infinite Stone in the Hula Hoop, and return the back of the line.
