

Han Solo Shooting

Purpose: Soccer Shooting

Equipment: Tarp, Agility Hoops, Standing Spots/Tape, Frisbees/Spots, Cones, Disks, Agility Ladder, Cones/Flags, Soccer Balls

Set-up:

Execution:

- Have all the players stand on their colored spot/tape line
- Review proper Shooting form/technique (introduce, breakdown, demonstrate).
- Narrate the StarWars Storyline: Tell the players that they are Han Solo and they need to fly the millennium falcon through the obstacles and fire on the imperial fleet (Cones).
- Coach calls first player's name. They cross the obstacles until they get to the firing "X". Put at an age appropriate distance from the imperial fleet.
- The player grabs a ball out of the bucket, puts in on the X and kick their ball (only get 1- change). Make or miss they grab their ball, put in back into the bucket and continue through the obstacles until they get back to the starting line.
- If player knocks over the space ships by cheating (not with the soccer ball), they miss their next turn.
- Continue until all space ships have been knocked over, or time elapses.
